NUMBER 7.

IMMENSE CROWD AT HARVEST SHOW

Neosho Festival Closes Successful Season Thursday Horticultural Exhibit Attracts Much Attention.

Wednesday was the third day of the Newton County Harvest Show held at Neosho. This was banner day in attendance and the largest crowd Neosho has ever seen at a similar event. In town. Delegations from several neighboring towns attended the show Wednesday and were entertained at Luncheon by the Neosho Ad Club.

Many Monett people have visited the show and all are enthusiastic over the great display. The Horticultural display attracted the most attention. A design in different colored apples was the chief attraction. This was 120 feet long and fourteen feet deep. In the center, formed of Arkansas Blacks was a big red apple. The inscription lettered in apples was "Neosho, the Haven of the Ozarks." The background was of apples in light shades.

Apples were displayed in plates in the usual way from the individual growers. Experts declared this was the finest exhibit of this fruit they had ever seen.

The stock show was also a great attraction, pure bred Jerseys, Guernseys, Herefords, Shorthorns and other cattle made a good showing. There was also a good exhibit of hogs, ponies horses and mules. The chicken show had some of the best birds in the state and a large number of entries were made.

The woman's farm club had several booths displaying the work done by the busy efficient housewives. An immense display of canned fruit and vegetables was made by them. The grain display was also very good.

The women's art department showed a variety of needlework and decorative work of all kinds and attracted much attention.

The exhibits, except the art work, were shown in booths constructed around the court house square, which made it convenient to the public.

Lectures by farm experts were features of the show and other entertainment was provided for the amusement of the public.

At 11 o'clock Wednesday a parade of school children more than eleven blocks long was held. Each group carried banners bearing the name of the school and work that is being carried on in the district.

Wednesday's program included many features, among them being a horse shoe pitching contest between the champion of Oklahoma and the champion of the United States. The latter was a wonder and made a ring every time he threw.

The credit for the success of the Harvest Show is due the members of the Ad club and L. J. Wormington, Newton county agent, who was untiring in his efforts to make the affair successful.

P. Y. James, Deputy United States Marshal of Joplin who has been stationed in Monett has been called in, and with Mrs. James, went to Cassville Thursday morning to spend a week or ten days with relatives before returning to Joplin.

GRAND JURORS

The Grand Jurors for the November term of the Barry county Circuit court are as follows:

Arthur Meister, Capps Creek.
T. F. Jackson, Kings Prairie.
B. F. Truhitt, McDonald.

BIDS ON BARTON COUNTY ROAD TO BE OPENED SOON

Bids on a road project in Barton county, from the Missouri-Kansas boundary, east to Minden Mines, will be received at the county clerk's office at Lamar, Mo., until 10 o'clock the morning of October 30, Ray Dunlap, division engineer said Wednesday.

At this time the proposals will be opened and read by the Missouri state highway commission at the county court house.

The project provides for grading, constructing culverts and laying a Joplin chat surface, 16 feet wide, on a road 1.544 miles long, at Minden Mines.

WEST LONE HILL

Mrs. Ethel Ball is sick with typhoid fever. She was moved to Verona Sunday, where she will have the best of care.

Clemon Thomas spent Saturday night and Sunday with his sister, Mrs. Albion Erickson and attended the basket ball game at Kings Prairie Saturday night.

Rev. Mourland is conducting a meeting at Lone Hill at night this week.

Uncle Wesley Riddle and A. S. Thomas made a business trip to Purdy, Monday.

Miss Dollie Thomas visited with Mrs. Johnnie Marbut Monday.

Sam Autry, of Fairview, has been moving a barn for Johnnie Marbut the past few days. He also intends to move one for Rev. Sherman Erickson in the near future.

Clemon Thomas attended church at Lone Hill Tuesday night.

Mrs. Hayse Terrell, of Corsicana, spent the week-end with her daughter Mrs. O. A. McCormick.

There is some talk of a canning factory at the Calton mill, which would make it more convenient for this neighborhood.

Mr. Potter, who lives on Dr. Loveland's place, is talking of moving back to Verona.

Homer Hoover had the misfortune of getting his saw mill damaged by fire one night last week.

CONTRACT FOR ROAD AWARDED

Five Miles of Polk County Road to Be Built by Monett Contractor.

Contract for the construction of five miles of gravel highway in Polk county was awarded Wednesday at Jefferson City to M. E. Gillioz of Monett. The award was made by B. H. Piepmeyer, state highway engineer, and is subject to the approval of the state highway commission. The amount involved is \$30,590.

The road to be constructed extends both north and south of Humansville, and is a section of the north and south cross-county road which will connect Bolivar, the county seat with Osceola, county seat at St. Clair county.

The highway is a part of the state system, and the cost of construction will be borne out of the \$60,000,000 road bond issue fund.

Extensive road construction work is going on in the counties to the east and to the west of Polk. Several miles of road in Dallas county are nearing completion and three projects are under way in Cedar county.

ATTENTION SIR KNIGHTS

There will be a stated convocation of Harmony Commandery No. 58, Friday evening, October 13th at 7:30 o'clock.

Important business to come up at this meeting. All Sir Knights are urged to be present.

By Order E. C.

J. L. Hobbs, Recorder.

MAY MAKE CHANGE IN CASSVILLE ROAD

Although it is not a stated fact yet there is some talk of a change being made in the State Highway between Butterfield and Cassville. This proposed change will probably begin at the Hankins farm coming by the Wiseman, Hilburn, Kisdler and Kring farms and on southeast into Cassville.

We understand that there are two feasible routes of entrance to Cassville on the proposed change. One of them is to come into the city by the way of the rock quarry and connecting with the Springfield road near the Rev. Brattin residence and the other to come into the Springfield road at the James Wilson farm. It is said that the new proposed road will eliminate several culverts and that the grading will not be as heavy as on the old survey and that the cost of construction will be several thousand dollars. We do not know how far the idea of the change has gone but if a high dry road with no culverts to build and no washouts to contend with in the future, no heavy grades to pull and a route that is to be a mile or more shorter, and a road on which the cost of maintenance will be reduced to a minimum it looks to us as it would be a good change.—Cassville Republican.

PLYMOUTH PARENT-TEACHER MEETING POSTPONED

The meeting of the Plymouth Parent-Teacher Association, which was to have been held Friday afternoon, October 13, has been postponed to Friday October 27. The change was made on account of the teachers' meeting at Springfield, which the Monett teachers will attend.
